Ms. Elaine Orr  
National Academy of Public Administration  
1120 G Street, N.W.  
Suite 540  
Washington, D.C. 20005

Dear Ms. Orr:

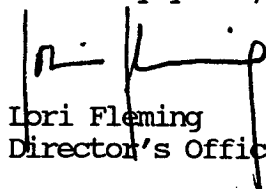

Enclosed please find Richard Lambert's Points of Leverage, which I spoke of today. Chapter Three is devoted specifically to language skills in business and contains several references which will be useful for further research.

As I mentioned on the phone, Dr. Lambert would welcome a call from you to discuss exactly what kind of information would be most helpful for your project. His phone number

STAT

If I can provide any further assistance, please call me.

Sincerely yours,

Lori Fleming  
Director's Office
